

HRC Distinguished Lecture Series

The Future of the Humanities and Social Sciences
Annual Lecture

Studying Africa in Australia

Dr Ibrahim Abraham

Hans Mol Research Fellow in Religion and the Social Sciences
Humanities Research Centre, ANU

Australian
National
University

Join us on Africa Day, May 25, for the 2022 Future of the Humanities Annual Lecture, a critical overview of the study of Africa in Australia in the past and present, with an eye to the future.

In a time of increasing disciplinary fragmentation in the humanities and social sciences, and strengthening methodological and moral scrutiny around the study of a misrepresented continent of many cultures, this lecture suggests paths toward strengthening and promoting multidisciplinary research on Africa in Australia.
