^{1.} This affiliation and membership list has been compiled from the database of residents who moved into the Peter Lalor Estate between 1948 and 1954. As there are no membership lists for any of the organisations listed above, these list are predominantly comprised of those people who were office bearers and their names therefore appeared in the *Whittlesea Post*, Whittlesea Shire Council *Minutes of Meetings*, sundry press clippings or on documents that have survived from the PLHBCSL CoM or the LCCS. Oral testimony has also assisted with information about individuals in this list, however the list is still incomplete and except in a few instances does not reflect the broader membership of associations, committees or clubs.

^{2.} For ease of reading, abbreviations have only been used where space made it necessary.
